Program Highlights for October

Active Aging

Public Health Nurse attended the Diabetes Prevention Program Lifestyle Coach Training in Lincoln. Eleven footcare clinics were provided to 89 clients in October.

Disease Surveillance

Public Health Nurse continued to address the needs of the MDR tuberculosis patient. A Norovirus outbreak at an event center was investigated. Follow-up continued on an infant born to a Zika Virus probably mother. Recommendation letters were sent to two schools regarding students with Pertussis.

Environmental Health

Environmental Health Specialist continued bi-weekly trapping for invasive Aedes mosquitoes. She inspected indoor swimming pools in Sarpy County. She also attended the Nebraska Environmental Health Association annual conference.

Health Hub

Health Educator attended the American Public Health Association Annual Meeting in Atlanta. In October, she conducted 10 first health coaching calls and distributed four FOBT kits.

Maternal Child Health

Public Health Nurses continued to prepare for the new series of prenatal classes anticipated to begin in January. They applied for several community grants to assist with the cost of supplies and participant incentives.

Preparedness

Emergency Preparedness Coordinator arranged a psychological first aid course for the Department, led by Region 6 Behavioral Healthcare and the Medical Reserve Corps.

Safe Kids

Safe Kids Coordinator completed classroom presentations for the fire safety campaign. She participated in a Cass County annual event for 5th graders in which she presented fire safety information to 262 kids. She also participated in the Sarpy Head Start Fall Festival and presented information on pedestrian safety and fire prevention and planning.
