

Guiding Good Choices Trainer Contract Position

Guiding Good Choices gives families information and tools that work to protect preteens and teens from the inevitable risks they encounter as they become more independent. Families learn ways to build or maintain lasting relationships, because teenagers who are more closely connected to their families have better health and educational outcomes.

Guiding Good Choices is delivered in six 2-hour sessions over the course of six weeks. Before holding the classes, the trainer would need to be able to attend the virtual training.

- December 5, 2022 11 AM - 1 PM AND 2 - 4 PM
